

## Directions For Picking Up Your Pup at Our Home

Pups will be available for pick up anytime after noon on July 3rd. You are welcome to stop and see the pups before then.

We live in the rural community of Gallatin Gateway, Montana, off of Highway 191 which runs north and south.

### Coming from the south through West Yellowstone and Big Sky:

Traveling northbound on Highway 191, when you get out of the canyon, north of Big Sky, take the second road to the right onto Wilson Creek Road. Take this gravel road and turn left at the T. Continue east on Williams Road East until it ends at a farm house. Take the next left onto Upper Tom Burke Drive. We are the fourth house on the right. We have a two-story, gray cedar sided home with a red wood deck. At the bottom of the drive is a section of split rail fence, with three metal quails on the top rail. Please call us the day before. Our home number is (406) 763-5027.
